

line of said Blunt Road to the point of its intersection with Brink Road, and thence in a westerly direction along the center line of said Brink Road to the point of its intersection with Cedar Grove Road (Md. Route 27), and thence southerly along the center line of said Cedar Grove Road to its junction with Md. Route 355, known as Frederick Road, and thence southeasterly along the center line of said Frederick Road (Md. Route 355) to the point of its junction with Darnestown—Germantown Road (Md. Route 118), thence southwesterly along the center line of said Darnestown—Germantown Road to that point of beginning where it intersects Old Germantown—Boys Road.

(c) Election District No. 3. All that portion of the third election district of the County as herein constituted, included within the following lines, limits and boundaries in the section mentioned: beginning for the same at a point centered in the mouth of the Seneca Creek, which trunk is designated as lying between Tschiffely Mill Road and Riley's Lock Road, and running thence in a northerly direction along the principle creek bed of Seneca Creek along its meander in a northerly direction up to the point at which it intersects the Dawsonville—Darnestown Road (Md. Route 28) at the site of the gaging station, and thence in a westerly direction along the center line of the said Dawsonville—Darnestown Road (Md. Route 28), and following thence a northwesterly course along said road which is known as Beallsville—Dawsonville Road (Md. Route 28), and continuing via Beallsville whereupon said road is also known as the Dickerson—Beallsville Road (Md. Route 28) to a point of its junction with Martinsburg Road and where said Route 28 becomes Dickerson Road, and thence in a northerly direction along said Dickerson Road (Md. Route 28) to its junction with the boundary of Frederick and Montgomery Counties, and thence running in a southwesterly direction along said boundary via the point where Frederick, Montgomery and Loudoun Counties (Virginia) intersect, and thence running along the Montgomery County—Loudoun County (Virginia) boundary on the westerly side of the Potomac River and with said boundary to a point on the southerly side of the Potomac River directly opposite the mouth of Seneca Creek, and thence across the said Potomac River to the point of beginning.

(d) Election District No. 4. All that portion of the fourth election district of the County as herein constituted, included within the following lines, limits and boundaries in the section mentioned: beginning at the point where Muncaster Mill Road (Md. Route 115) has its junction with Redland Road and Muncaster Road, and thence running in a southeasterly course along the center line of Muncaster Mill Road (Md. Route 115) via the northernmost extension of Rock Creek Park and crossing Rock Creek and continuing in a southeasterly direction along said Muncaster Mill Road to a point in North Branch Park where the said Muncaster Mill Road is intersected by North Branch Creek, and thence in a southerly direction running along the center of said North Branch Creek and thence to the point of its confluence with Lake Norbeck, which is also known as Lake Bernard Frank, and running thence along the mean center line of said Lake in a southerly direction to that southernmost point where Lake Norbeck empties into the tributary of Rock Creek, and thence along the center line of the bed of said Rock Creek to its confluence with the Main Branch portion of Rock Creek, and thence running along the center line of the bed of said Rock Creek in a southerly direction through Rock Creek Park to a point where said Rock Creek is intersected by Beach Drive northeast of and immediately proximate to the Pooks Hill Interchange, and thence along the center line of said Beach Drive in a northwesterly direction to the point where said Beach Drive intersects with Rockville
